# Dr. Abraham Armani Selected For Patients' Choice Award 2011

PR Newswire  
DALLAS, Jan. 17, 2012

**Dr. Abraham Armani** of Dallas, TX has been ranked among the top physicians in the nation based on patient reviews.

DALLAS, Jan. 17, 2012 /PRNewswire-USNewswire/ -- A select few physicians were honored with the prestigious 2011 **Patients' Choice Award**, and this year they include Dr. Abraham Armani.

Only doctors who have received top scores by their patients and pass other quality measures are awarded the **Patients' Choice Award**. In fact, of the nation's 720,000 active physicians, just 5 percent were accorded this honor in 2011.

Every month, millions of patients across the U.S. access websites like Vitals (<http://www.vitals.com>) to share feedback about their experiences with their doctors. Patients rate various components of the care they receive, such as the accuracy of their diagnosis, the amount of time they spent with the doctor, and the doctor's bedside manner and follow-up care. Patients' Choice ranks the top reviewed physicians and looks at other quality measures to compile its yearly list.

**Dr. Abraham Armani** commented on the recognition: "This is quite an honor for me. I am very pleased to have been selected and grateful to my patients who went out of their way to rate me and give me positive reviews."
